

Awardee Introductions

January 28, 2021

1

ACENDA INTEGRATED HEALTH GLASSBORO, NEW JERSEY

Social Determinant of Health (SDoH) Area(s)

- Built Environment, Community-Clinical Linkages, Social Isolation, and/or Food Access

Summary of Chronic SDoH Work

- Acenda has established formal and informal partnerships across multiple counties in New Jersey to help residents manage chronic physical and mental health conditions by providing access to housing, employment, healthcare, prevention services and overall care coordination.

Fun Fact

- New Jersey is known as the "Diner Capital of the World".

2

3

ACHIEVE COALITION MULTNOMAH COUNTY HEALTH DEPARTMENT MULTNOMAH COUNTY, OREGON

Social Determinant of Health (SDoH) Area(s)

- Food Access/Equity
- Social Connectedness

Summary of Chronic SDoH Work

- The Multnomah County Racial and Ethnic Approaches to Community Health (REACH) program collaborates with the ACHIEVE Coalition to redress chronic disease burden and disparities among Black/African immigrant and refugee infants, youth, adults, and elders (from the cradle to the cane). We do this by identifying, designing and implementing communications, policy, systems, and environmental improvements in three focus areas: Nutrition, Community Clinical Linkage, Physical Activity/Built Environment.

Fun Fact

- The Multnomah County Health Department Headquarters in Portland is named after Gladys Sims McCoy, the first person of color elected to public office in Oregon.

4

ACTIVE KNOX KNOX COUNTY HEALTH DEPARTMENT KNOXVILLE, TN

Social Determinant of Health (SDoH) Area(s)

- Built environment

Summary of Chronic SDoH Work

Active Knox is a collaborative of organizations that work under the premise that healthy design equals healthy communities. Its focus is to make Knoxville and Knox County a healthier place to live by promoting a built environment that encourages active living and active transportation.

Fun Fact

- When it hosted the World's Fair in 1982, Knoxville was the smallest city to ever host an International Exposition. Knoxville had the last successful World's Fair held in America.

ADIRONDACK FOOD SYSTEM ALLIANCE AHI-ADIRONDACK HEALTH INSTITUTE GLEN FALLS, NY

Social Determinant of Health (SDoH) Area(s)

- Food Insecurity

Summary of Chronic SDoH Work

- Our work to support Food Insecurity is multi-faceted and rests on established partnerships and collaborations with local health care providers and health insurance plans which have come together to encourage both the availability and accessibility of fresh fruits and vegetables.

Fun Fact

- The Adirondack Park is 6 million acres of public and private land, making it the largest protected wilderness area east of the Mississippi.

5

ALLIES IN CARING, INC. HAMMONTON HEALTH COALITION (HHC) HAMMONTON, NJ

Social Determinant of Health (SDoH) Area(s)

Social connectedness & equity

Summary of Chronic SDoH Work

- The HHC engages members of the community as co-creators, we harness their strengths and skills to help them rebound from the challenges they are experiencing. Building social capital serves to promote health-protective behaviors and mobilize resources. Through our personal connection we build trust, credibility and reciprocity

Fun Fact

- We are self proclaimed the world capital of the blueberries

6

7

ASIAN AMERICAN CENTER OF FREDERICK COUNTY

FREDERICK, MARYLAND

Social Determinant of Health (SDoH) Area(s)

- Community-Clinical Linkages

Summary of Chronic SDoH Work

- AACF and its partners sponsor a large annual health fair for community members who have difficulty accessing healthcare. We identify those who need services to address SDoH and are working on continuity of care processes to improve outcomes.

Fun Facts

- Frederick is home to two restaurants owned by Top Chef finalist chef Bryan Voltaggio. It is also the birthplace of the writer of the national anthem, Francis Scott Key.

8

AVONDALE CHILDREN THRIVE THE COMMUNITY BUILDERS CINCINNATI, OHIO

Social Determinant of Health (SDoH) Areas

- Tobacco, Community-Clinical Linkages, and Food Access

Summary of Chronic SDoH Work

Avondale Children Thrive supports Health Champion resident leaders, hired through the housing organization, to support mothers and children to achieve outcomes in health, access to food and primary care, and maternal and child health areas.

Fun Fact

- 1869 First professional baseball team - the Cincinnati Red Stockings, now known as the Cincinnati Reds

9

BE WELL™ BAYTOWN THE UNIVERSITY OF TEXAS MD ANDERSON CANCER CENTER HOUSTON, TX

Social Determinant of Health (SDoH) Area(s)

- Built Environment, Social Isolation, and Food Access

Summary of Chronic SDoH Work

- Be Well Baytown has developed an effective ecosystem to address food insecurity; the foundation was building a network of client choice food pantries and mobile food access locations. Organizations have also come together to plan for and develop an increasingly pedestrian friendly environment throughout the city, prioritizing making the active choice the easy choice for sidewalks, schools, parks, and more.

Fun Fact

- Baytown is home to the Fred Hartman Bridge, which is the longest cable-stayed bridge in Texas and the 77th largest bridge in the world.

10

BPSOS CENTER FOR COMMUNITY ADVANCEMENT WESTMINSTER, CA

Social Determinant of Health (SDoH) Area(s)

- Community-Clinical Linkages and Tobacco

Summary of Chronic SDoH Work

- Our organization works with other community-based organizations and other local health care providers to provide referrals to manage chronic health conditions and to implement a smoke-free outdoor policy to reduce second-hand smoke exposure.

Fun Fact

- Little Saigon in Westminster, CA is unofficially considered the Vietnamese "capital" of the United States, with a 2010 population of 36,000 Vietnamese Americans (the highest municipal concentration of Vietnamese Americans in the nation). On weekends, the number of people in Westminster triples, as Little Saigon regularly draws visitors from Los Angeles, San Diego, and even northern California.

11

CENTRAL LINCOLN COUNTY YMCA/LINCOLN HEALTH CLC YMCA DAMARISCOTTA, ME

Social Determinant of Health (SDoH) Area(s)

- Social Connectedness, Community-Clinical Linkages, and Food Access

Summary of Chronic SDoH Work

- The CLC YMCA and its partner, LincolnHealth, are focused on increasing access to programs and education that will support behavior change and lifestyle intervention techniques to live a healthier life to either prevent the onset or manage chronic disease through education and/or behavior modification.

Fun Fact

- Maine has over 3,478 miles of coastline

12

CENTURA HEALTH FOOD SECURITY COALITION CENTURA HEALTH AND JEFFERSON COUNTY PUBLIC HEALTH LAKEWOOD, CO 80228

Social Determinant of Health (SDoH) Area(s)

- Food Access

Summary of Chronic SDoH Work

- Centura Health has developed and implemented a SDOH screening tool to identify and address the root cause of food insecurity in our communities. Specifically, we partner with Jefferson County Public Health to address health disparities caused by food insecurity.

Fun Fact

- On average, Jefferson County in Colorado has 255 days per year of sunshine!

13

CHILD WELLNESS INITIATIVE (CWI) STATEN ISLAND PARTNERSHIP FOR COMMUNITY WELLNESS STATEN ISLAND, NY

Social Determinant of Health (SDoH) Areas

- Built Environment, Community-Clinical Linkages, and Food Access

Summary of Chronic SDoH Work

- The Staten Island Child Wellness Initiative is a cross-sector collaborative based in Staten Island, NY, focused on addressing chronic disease prevention for children and families across SI with an emphasis on communities with a higher burden of childhood obesity and asthma. CWI works to build trusted partnerships with key decision makers across diverse sectors, and spur collective action to improve the home, school, recreational, and healthcare environments for SI's children and families.

Fun Fact

- Staten Island is known as the Borough of Parks, with over 10,000 acres of park land and open space (including a new 2,200 acre park being developed over a reclaimed landfill, to be completed by the 2030's).

14

COMMUNITY CONNECTIONS READING HOSPITAL READING, PA

Social Determinant of Health (SDoH) Area(s)

- Community-Clinical Linkages

Summary of Chronic SDoH Work

- Our organization provides Medicare and Medicaid beneficiaries screening, referral, and navigation services to identify unmet social needs in area domains of food insecurity, housing instability, transportation, utilities, and safety. Utilizing the Healthify platform, 20 partner community service agencies respond to direct referrals and connect patients to services that may resolve their needs. As a consortium, we monitor implementation, share data, and align efforts to build the community's capacity to address social determinant of health needs in efforts to create a more equitable community.

Fun Fact

- In the standard US version of Monopoly, Reading Railroad is the first of four railroads. This railroad lies between the Income Tax and Oriental Avenue spaces, and costs \$200, which is the standard railroad price.

Tanika Mason, Debra Dickson, WAnn Gattman, Sharon Stump, Mike Toledo (Top Left-to Right)
Christina Farn, Dawn Dreibeis (Bottom Left-to Right)

15

COMMUNITY ENGAGED TOBACCO PREVENTION & TREATMENT IN FERRY STREET CORRIDOR CAI (CICATELLI ASSOCIATES) BUFFALO, NY

Social Determinant of Health (SDoH) Area(s)

- Tobacco

Summary of Chronic SDoH Work

CAI serves as a "backbone organization" for mobilizing and resourcing stakeholder/community partnerships across five core zip codes located along the Ferry Street Corridor in Buffalo to address stark disparities in tobacco use among Black/African American communities through policy change. Utilizing a Tobacco Action Group (TAG) consisting of community residents, we have employed community and stakeholder education strategies to promote the strengthening of smoke-free policy changes for local workites and multi-unit housing (MUH) and provide cessation resources and information.

Fun Fact

Buffalo's Juneteenth Celebration is the 3rd largest in the world

Stan Martin (CAI) and TAG Members

Lindsay Senter, CAI
Project Oversight

Lauren Nitecki, CAI
Evaluation Specialist

16

COMMUNITY RESOURCE HUB] [ARCHI] [ATLANTA, GA]

Social Determinant of Health (SDoH) Area(s)

- Community-Clinical Linkages

Summary of Chronic SDoH Work

- Hubs at two health systems in Atlanta identify patients with unmanaged chronic conditions. Community Health Workers partner with the patient to assess their unmet social needs and then work through a network of community partners to make referrals and ensure services are delivered. Health indicators and patient determined goals are tracked over time.

Fun Fact

- In case you weren't aware, Georgia has two democratic senators! (and we are all grateful to see the end of political advertising)

Bottom line. Balanced health. Better beings.

17

THE DIABETES RESEARCH, EDUCATION, AND ACTION FOR MINORITIES (DREAM) COALITION [NEW YORK, NEW YORK]

Social Determinant of Health (SDoH) Area(s)

- Community-Clinical Linkages, Food Insecurity, & Social Connectedness.

Summary of Chronic SDoH Work

- The DREAM CAB provides culturally tailored expertise in the implementation of health education interventions, access to culturally appropriate and healthy foods, and social connectedness through direct service programs within the South Asian community.

Fun Fact

- Brooklyn's official motto is "Een Draght Mackt Maght." This translates from early Dutch to, "Unity makes strength."

18

19

FOOD AS MEDICINE COLLABORATIVE SAN FRANCISCO DEPT. PUBLIC HEALTH SAN FRANCISCO, CA

Social Determinant of Health (SDoH) Area(s)

- Food Access

Summary of Chronic SDoH Work

- We are a multi-sector collaboration of **26 organizations** representing health systems, non-profits, food businesses, and SFDPH working to bridge healthcare and food systems to address food insecurity, support nutritional behavior change, and advance health equity.

Fun Fact

- Over the past three years our Food Pharmacy program has grown from 6 to 15 clinics.

20

HEALTH BY DESIGN INDIANAPOLIS, INDIANA

Social Determinant of Health (SDoH) Area(s)

- Built Environment

Summary of Chronic SDoH Work

- Between 2014 and 2018, Health by Design partnered with the Indiana Department of Health's Division of Nutrition and Physical Activity to conduct and facilitate a year-long Active Living Program in 46 Indiana communities. This evaluation project will focus on that initiative, the subsequent implementation of built environment strategies, and success stories and lessons learned since.

Fun Fact

- Indiana limestone is used in public monuments and prominent public buildings throughout the country.

A Human Bump-Out at an Active Living Workshop

HEALTHY HERE PRESBYTERIAN HEALTHCARE SERVICES ALBUQUERQUE, NEW MEXICO

Social Determinant of Health (SDoH) Area(s)

- Built Environment, Community-Clinical Linkages, and Food Access

Summary of Chronic SDoH Work

- The Healthy Here Coalition is focusing on conducting a retrospective evaluation of built environment, clinical-community linkages, and food insecurity. The Coalition's work over the past six years has addressed these same SDoH in order to improve health outcomes related to chronic disease conditions in Bernalillo County, New Mexico. The target populations are Hispanic and Native American.

Fun Fact

- Albuquerque hosts the largest Balloon Fiesta on earth each October. Over 500 balloons from around the world participate in the 9-day event.

21

HEALTHY KLAMATH COALITION BLUE ZONES PROJECT KLAMATH FALLS, OREGON

Social Determinant of Health (SDoH) Areas

- Built Environment, Tobacco Prevention, Food Access

Summary of Chronic SDoH Work

- Our organization is a community-led, well-being improvement initiative designed to make healthy choices easier through changes to lifestyle, the built environment, health policy, and community partnerships. The vision of our collaboration is to foster a healthy community where all community members have the ability to thrive and live a healthy, prosperous life.

Fun Fact

- Klamath Falls is the "City of Sunshine" and averages 300 days of sunshine a year.
- Klamath Falls is also a Certified Blue Zones Community and a Robert Wood Johnson Culture of Health Prize Winner!

22

23

HEALTHY LITTLE HAVANA MIAMI, FL

Social Determinant of Health (SDoH) Area(s)

- Built Environment and Social Isolation

Summary of Chronic SDoH Work

- We are a community-based non-profit organization that advocates and support the development of a thriving and healthy Little Havana by focusing on the social determinant. Our Public Space Committee includes a myriad of stakeholders and focuses on policy, system, and environmental changes that improve health outcomes.

Fun Fact

- In 2017, the Little Havana neighborhood was declared a national treasure by the National Trust for Historic Preservation.

24

IMPACT ALLIANCECHICAGO CHICAGO, IL

Social Determinant of Health (SDoH) Area(s)

- Community-Clinical Linkages

Summary of Chronic SDoH Work

- AllianceChicago, a Health Center Controlled Network, has established a clinical-community linkage between the Chicago Department of Public Health (CDPH), Illinois Tobacco Quitline (ITQL), and 3 Federally Qualified Community Health Centers (FQHCs) in Chicago to implement an electronic, bi-directional referral tool to increase referrals for tobacco cessation services and improve smoking rates among these FQHCs.

Fun Fact

- The 1st televised U.S. presidential candidates' debate was broadcast from Chicago's CBS Studios on Sept. 26, 1960, between John F. Kennedy and Richard Nixon.

INVEST HEALTH ROSEVILLE ROSEVILLE, CALIFORNIA

Social Determinant of Health (SDoH) Area(s)

- Built Environment; Food Insecurity; Social Connectedness; Tobacco Free Policies.

Summary of Chronic SDoH Work

- Invest Health Roseville (IHR) has worked at the intersection of reducing health disparities and the social determinants of health since its inception in 2016. IHR is committed to addressing community driven issues and concerns among residents living in Roseville's Downtown core neighborhoods including work around safety, access to healthy food and improving connections to local resources.

Fun Fact

- Roseville is home to the largest railyard West of the Mississippi, operated by Union Pacific Railroad.

25

LANCASTER COUNTY HEALTH & WELLNESS COMMISSION UPPER MIDLANDS RURAL HEALTH NETWORK LANCASTER, SC

Social Determinant of Health (SDoH) Area(s)

- Tobacco

Summary of Chronic SDoH Work

- On July 28, 2020, Lancaster County successfully became the first county in SC to be 100% tobacco-free, meaning all municipalities, the public school district, and all colleges and universities now had broad tobacco-free policies. The commission has already been exploring ways to further impact and sustain tobacco-free efforts through health systems change and evidence-based interventions around youth vaping.

Fun Fact

- Charles Moss Duke Jr. was from Lancaster, SC and in 1972, he became the tenth and youngest person to walk on the Moon.

26

27

LIVE WELL ALLEGHENY REACH COALITION ALLEGHENY COUNTY HEALTH DEPARTMENT ALLEGHENY COUNTY, PITTSBURGH, PA

Social Determinant of Health (SDoH) Area(s)

- Built Environment, Community-Clinical Linkages, and Food Access

Summary of Chronic SDoH Work

- Our partnership has created a community-based pharmacist navigation and referral program. We are connecting residents to healthy food by increasing uptake of food benefit programs including food bucks and by implementing nutrition guidelines and procurement policies in community based settings. We are partnering with local communities to implement PSE changes to increase bike and ped access.

Fun Fact

- Allegheny County has **130** municipalities and **43** school districts!!!

28

LOUISIANA HEALTHY COMMUNITIES COALITION (LHCC) LOUISIANA CANCER PREVENTION & CONTROL PROGRAMS (LCP) NEW ORLEANS, LA / OBERLIN, LA (EVALUATION SITE)

Social Determinant of Health (SDoH) Area(s)

- Built Environment / Food Access

Summary of Chronic SDoH Work

- Our coalition works with organizations and community leaders to make long-term improvements to tobacco prevention and control, healthy food access, and the built environment.
- For this project, our coalition worked with a rural farmers market to accept SNAP benefits and implement a market match program to maximize the community's access to fresh, local produce.

Fun Fact

- Oberlin has hosted the Allen Parish fair every year since 1945 – increasing the small town's population temporarily by tenfold!

29

MARYLAND LIVING WELL CENTER OF EXCELLENCE SALISBURY, MARYLAND

Social Determinant of Health (SDoH) Areas

Community-Clinical Linkages, Social Isolation, and Food Access

Summary of Chronic SDoH Work

LWCE provides the training and learning collaborative for Chronic Disease Self-Management Education, Falls Prevention, Depression and Nutrition programs. LWCE manages a centralized data collection system for assessing the effectiveness of these programs. LWCE works to improve the quality of life and health care outcomes of Maryland's older adults. Partners include Agencies on Aging, Local Health Departments, MD Primary Care Program, MD Department of Aging, MD Department of Health, MD Department of Disabilities, MD's Health Information Exchange, Area Health Education Centers, hospital systems and Managed Care Organizations.

Fun Fact

Minutes from the beach, George Washington stayed in the Washington Hotel. Wycomico River is the only navigable waterway to the Chesapeake Bay

Leigh Anne Eagle Sue Lachenmayr

Wendy Farthing

30

MASSACHUSETTS MUNICIPAL WELLNESS AND LEADERSHIP INITIATIVE METROPOLITAN AREA PLANNING COUNCIL MASSACHUSETTS (STATEWIDE)

Social Determinant of Health (SDoH) Area(s)

- Food Access

Summary of Chronic SDoH Work

- Our Partnership is a state grant program of the Massachusetts Department of Public Health that seeks to improve the social determinants of health (SDOH) by advancing equitable policy, systems, and environmental (PSE) change to ensure that all individuals can make healthy choices. The Partnership supports Community Food Assessments in grantee communities to address SDOH and promote food systems that are equitable and ensure food security.

Fun Fact

- The first subway system in the U.S. was built in Boston.

31

NEVADA TOBACCO PREVENTION COALITION SMOKE FREE TRUCKEE MEADOWS RENO, NV

Social Determinant of Health (SDoH) Area(s)

- Tobacco

Summary of Chronic SDoH Work

- Smoke Free Truckee Meadows is working to pass local laws in Reno, Sparks and Washoe County to protect employees in casinos, bars and strip clubs from exposure to secondhand smoke. Nevada's Clean Indoor Air Act allows local jurisdictions to have stronger protections than state law.

Fun Fact

- The distance between Reno and Las Vegas is 439 miles, two miles more than the distance from Washington D.C. to Boston. When traveling from D.C. to Boston, you go through four states and a U.S. federal district. Here, it's one long stretch of sagebrush.

32

33

Newport Health Equity Zone Women's Resource Center Newport, RI

Social Determinant of Health (SDoH) Area(s)
Newport Built Environment, Community-Clinical Linkages, Social Isolation, and Food Access.

Summary of Chronic SDoH Work
The Newport Health Equity Zone uses a racial-equity lens as well as resident-driven approaches to developing and implementing strategies for improving community health (through the following working groups: Housing, Transportation, Food Access, Greening Urban Spaces, Collective of Phenomenal Women, Education, LGBTQ+, and Arts and Culture)

Share a fun fact about your city or state
Calamari (locally caught) is the official state appetizer. Note: this has been politically controversial with the quahog advocates.

34

OGDEN CIVIC ACTION NETWORK WEBER STATE UNIVERSITY OGDEN, UTAH

Social Determinant of Health (SDoH) Area(s)
• Built Environment, Tobacco, Community-Clinical Linkages, Social Connectedness, and Food Access

Summary of Chronic SDoH Work
• Our work has been fortifying strong multisector coalitions under food access, community-clinical linkages, social connectedness, and built environments within the East Central neighborhood in Ogden, Utah.

Fun Fact
• Ogden has rough and tumble history. Al Capone was once quoted as saying that Ogden was too wild a town even for him.

PARTNERS OF ACCESS HEALTH LEAD: ACCESS HEALTH STARK COUNTY CANTON, OHIO

Social Determinant of Health (SDoH) Area(s)

- Community-Clinical Linkages and Social Isolation]

Summary of Chronic SDoH Work

- AHSC focuses on two areas of health for the underserved: 1) Reducing infant mortality and 2) Improving health outcomes for adults diagnosed with chronic disease. AHSC trains and employs Community Health Workers (CHWs) who serve as partners to health care teams and the link between patient, health care, and community resources in order to help clients overcome barriers to reaching optimal health goals.

Fun Fact

- The Pro Football Hall of Fame is located in Canton, Ohio

35

SOUTHEASTERN PA TOBACCO CONTROL PROJECT HEALTH PROMOTION COUNCIL (HPC) PHILADELPHIA, PENNSYLVANIA

Social Determinant of Health (SDoH) Area(s)

- Tobacco Prevention and Control Policy

Summary of Chronic SDoH Work

- HPC oversees tobacco prevention and control efforts throughout Southeastern Pennsylvania, maintaining a focus on the reduction of tobacco-related health disparities. HPC has formed strategic partnerships to create tobacco-free policies that positively impact LGBTQ communities, as well as residents of multi-unit housing developments in our region.

Fun Fact

- Pennsylvania has a strong food culture, featuring Hershey, the chocolate capital of the US, Kennett Square, the Mushroom Capital of the World, and of course Philadelphia's famous cheesesteaks, soft pretzels and TastyKakes!

36

STRENGTHENING PROVISO YOUTH MAYWOOD, ILLINOIS

Social Determinant of Health (SDoH) Area(s)

- Community safety, food access, built Environment, tobacco, wellness, economic stability

Summary of Chronic SDoH Work

- We are a community-led coalition to advance action on racial and economic justice through the food system, civic engagement, and place-based health.

Fun Fact

- The 10-mile house in Maywood was Underground Railroad Stop in 18

37

SUPPORTS FOR HEALTHY AGING IN RURAL NY RURAL HEALTH NETWORK OF SCNY BROOME COUNTY, NY

Social Determinant of Health (SDoH) Area(s)

- Community-Clinical Linkages
- Social Isolation

Summary of Chronic SDoH Work

Our coalition uses mobility management and transportation services to connect the rural elderly to clinical and social supports, with the long-term goal of promoting healthy aging in Rural Broome County, NY.

Fun Fact

Broome County's metropolitan center, Binghamton, is the Carousel Capital of the World, home to six of the last remaining hand-carved vintage carousels.

38

SUSSEX COUNTY HEALTH COALITION

GEORGETOWN, DELAWARE

Social Determinant of Health (SDoH) Area(s)

- Community-Clinical Linkages, Social Isolation, and Food Access

Summary of Chronic SDoH Work

- Our organization works with anchor health institutions, the Department of Public Health, local universities and many other key community partners. We possess the landscape of rural providers and wraparound services existing to engage the entire community in collaborative, family-focused efforts to improve the health of our children and families including prevention and awareness driven approaches.

Fun Fact

- Home of President Elect, Joe Biden
- Delaware has almost thirty miles of coastline and an additional 350 miles of shoreline

39

TOBACCO FREE VOLUSIA

FLORIDA DEPARTMENT OF HEALTH IN VOLUSIA COUNTY DAYTONA BEACH, FL

Social Determinant of Health (SDoH) Area(s)

- Tobacco

Summary of Chronic SDoH Work

- Tobacco Free Volusia is a community partnership working to implement smoke-free policies in multi-unit housing to mitigate the impact of exposure to secondhand smoke, reduce tobacco initiation/use, and increase cessation referrals thereby reducing tobacco-related morbidity and mortality, including acute cardiovascular events and asthma-related hospital admissions.

Fun Fact

- Volusia County is on Florida's Fun Coast and is home to NASCAR's Daytona 500, Bike Week (motorcycles) and Spring Break, which is why our Area Code (386) spells FUN.

40

Trenton Health Team Trenton, NJ

Social Determinant of Health (SDoH) Area(s)

- Community-Clinical Linkages

Summary of Chronic SDoH Work

- Our organization works with the Federally Qualified Health Center (FQHC) and other local health care and social service providers to provide referrals for participants to receive needed health care and social service resources not limited to food access, housing assistance, and virtual education assistance.

Fun Fact

- New Jersey has a spoon museum containing over 5,400 spoons. It can be found at Lambert Castle

41

WEST LOUISVILLE OUTDOOR RECREATION INITIATIVE WILDERNESS LOUISVILLE, INC. LOUISVILLE, KY

Social Determinant of Health (SDoH) Area(s)

- Built Environment/Social Connectedness

Summary of Chronic SDoH Work

- We work across sectors (e.g., parks, health, education) to address SDoH by improving equitable access to nature and the outdoors. Our work focuses on addressing systemic barriers to access with particular focus on addressing inequity in the ready availability of programming and supporting physical infrastructure for priority populations.

Fun Fact

- Louisville stakes claims to be where the cheeseburger was invented

42

WESTSIDE CONNECT

CHRIS 180
[ATLANTA, GA]

Social Determinant of Health (SDoH) Area(s)

- Community-Clinical Linkages

Summary of Chronic SDoH Work

- Our organization works with local health care providers, community agencies and schools to provide community-clinical referrals and linkages to primary medical homes, chronic disease health education, behavioral health services, social services, financial services, employment and housing.

Fun Fact

- Before garnering its current name, Atlanta was called Terminus and then Marthaville
